

National Fire Academy *Leadership 2:*

Strategies for Personal Success

Description:

This 2-day course provides the company officer with the leadership skills and tools needed to perform effectively in the fire service environment. This course addresses ethics, the use and abuse of power at the company officer level, creativity in the fire service environment, and management of the multiple roles of the company officer.

General Audience:

Individuals who have line officer, unit commander, or program supervisor responsibilities. Fire or rescue personnel due for upcoming promotion or appointment to officer rank or supervisory position. Training officers, staff, or administrative officers of fire and rescue organizations.
